DiRT 3 is a game you can get as a gift to any game enthusiast who loves a lot of racing action. It could be your son, brother or yourself. Whoever you choose, they definitely deserve it. Excellent quality racing game Offline split screen is challenging scores brilliant Fiendishly addictive Grittier muddier look is the menu screen less interesting than a little drab Unleash your creativity with Shift 2 Unleashed. This limited edition racing game allows you to customize both for the program or or You have the opportunity in this game to create fire breathing weapons from some of the world's elite high-performance vehicles. The customization can be done anywhere, on the engine, suspension, body and other parts of the vehicle. This game features a brand new helmet that gives a great sense of speed by recreating the actual driver's head movement. From scary night racing and realistic car physics and crashes to the combat interface of both rails and cars, this game features the GT3 European Championship and FIA GT1 World Championship and also includes real-world drivers for a realistic result. To share your racing experience with friends and other racers around the globe, you can use the revolutionary system, Autolog. Have fun, play hard, connect with others about your racing career and have the best gaming experience you can imagine by playing Shift 2- Unleashed. Sim racing that feels quickly selected from a variety of events possible by gamers. Fully customizable cars Physics Anti-Aggressive can brutally punish mistakes No bad rewind feature off graphics track Getting into all actions by participating in the ultimate racing experience with Blur. This is a racing game that gives you pumping hearts, electric gas action, with twenty racing cars to cross the finish line first. The battle is crazy, fascinating and intense, with Blur. This game has defensive shields, the ability for players to blast their opponent's car out of the way, increase nitro speed and mines create destruction that is remarkably realistic. Blur was developed to allow a split screen of four players that take all the action to a higher level. You can race against your friends and experience thrills of collaboration and solo challenges as you make singles games or intense competitions for fun. Blur's story is told creatively and uniquely, with a community-based interface that transcends the game itself. This coupled with fast curve games, hair lift jumps and stealth alternative routes make Blur one of the best non-stop racing games ever to exist on the market. Online players are great targets in the race that sets the game apart from other riders allowing strategic depth Broken Single Player tedious pursuits PSG Gran Turismo 5 XL Edition is the final version of the fast selling game, GT5. This game has a wide range of generous racing styles, with examples of demonstrations, roads, drift and NASCAR. The full version of the game presents gamers with an unprecedented collection of over 1000 cars, complete with active community and online racing features, all in gran Turismo's signature advanced graphics. Challenge friends and members of the online racing community to compete in the race room system your tune features voice chat for the last track date. Endless collection of cars in Gran Turismo 5 including supercars, cars, imported and muscle vehicles. On the game disc is Spec 2.0, where you are granted access to all downloadable game updates that allow you to play the game at the optimal quality level. This game is intense, addictive and is full of activities that will leave you glued to your screen for hours. Better location photography mode Top Gear Test Track Car deals / share Building team still feels superficial No VR Visual support a little bland Collection of racing games Wipeout Omega is divine, because of the lack of a better word. We begin to look at the soundtrack, which sounds utterly incredible, thanks to it being completely remastered. Enjoy this brand new soundtrack that features electronic delights from The Prodigy, DJ Kentaro, The Chemical Brothers and Swedish House Mafia. This is a game with 46 unique ships, 26 reverse circuits and nine game modes from Wipeout 2058, Fury and Wipeout HD. This collection includes Remastered Game, 4 PS4 Avatars and the new Van Uber racing train. You will be infatuated, you will sweat, and your face will probably melt from how great this game is. After a race, you will itch for one last run, a previous circuit and a final challenge. You can never get enough! As good as a technical display for the PS4 as you are likely to find super responsive processing systems rarely be bettered A brilliant introduction to HDR gaming on elite difficulty, and the testing time and speed ring is that the career of savage 2048 is not as pure or addictive as wipeout HD Voice Right Welcome to the Racing Game Need for Speed Undercover, where you are both hunters and hunters. You've never seen a story like this. You never know you'll just risk everything by taking control of the wheel in an attempt to take down this international crime syndicate by infiltrating their team. You are in a hot chase, and the person you are chasing is a madman, moving behind the wheel as if his life is in danger. And it's probably the most. You increase your speed to suit yourself because he has all the information you need. Behind you, you are being chased by a fleet of police cars, their sirens ringing on quiet nights, breaking peaceful neighborhoods once. They will not make your chase so easy, you must use all your skills and knowledge to take down enemies while outrunning the law, to bring peace by unlocking many truths and countless secrets. Large area to discover amazing online players Impressive car list Boring FMV chain Plot Easy AI Burnout Paradise is the only game built from scratch by pepper game development. It has a new, magnificent and expanding world where gamers can roll over whenever they want. Explore many stunts, jumps and shortcuts in Rock Paradise City by shredding your way over 250 miles Road. Use your knowledge of the city to blaze your way to glory in 120 unique events, and locate the fastest records while getting dropped on all your opponents. This game allows you to play solo in challenges against your friends or team up to complete over 4300 challenges online. Bring a different meaning to the time show by crashing, spinning, and wrecking your car anywhere and anytime, leaving a trail in your wake. You can set many speed records, not forgetting the terminator, all over the town. The implementation and breaking of the road rules is free only given in this game, and you can even track your loith against your friends. Technically solid port Reboot function makes life easier The perfect game in the middle Still can not upload your own music in the game Party Pack content underwhelming OpenWorld racing can be overwhelming, Nasty DJ Filled with endless amounts of races , Midnight Complete Edition Club: Los Angeles is similar in many ways to Burnout Paradise. This game is built to keep players busy because as soon as you finish a race, you will be warned about another race. All the cars in this game have been complex in detail, with the most realistic representation of Los Angeles to ever hit the game scene. It has a custom soundtrack but allows gamers to create their own playlists as an additional option. With its automatic difficulty adjustment, you can experience both powerful and safe games, but mind you, the difficult rate is extremely crazy and can help you feel frustrated more than once. This is a great racing game for computers, and it is a perfect choice for those who need an arcade racer. Working up the problem is that an easy-to-handle car always balance Gameplay is uninterrupted As trash talk of cocky street racers expensive customization rate (paint) turns unstable in the game Colin McRae Rally is one of the best car games for boys that allows gamers to drive some of the options Choose the most diverse of racing cars while taking them through a full professional career. Experience real progression and reward through the individual challenges offered by 23 individual rally events. With this non-linear game series of issues, Cups, Supercups, Shields and Championships, you can complete any occasion with the very best. The cars featured in this game range from rear wheels, 4-wheel classics, 2-wheel drives, and more. Colin McRae's landscape and damage pictures have been modified and improved so that if you are crashing into a tree, you will see some leaves dropping like shudders stems. Overall, definitely an option great if you are pursuing the best car games for kids. Gameplay Modes Physics model single cartridge multiplayer Bad menu Low-res textures Ancient game Rise to be the champion you were born to be by forging your own path to glory with the Playstation 4 F1 2016. This is an online racing game designed to take you on an exciting ride on the track into the world of Formula One For the first time in PC gaming history, iconic virtual safety cars and safety cars have been included for much exciting playing time. The F1 game does more than give you the best experience on the track, it takes you behind the scenes, so that all the drama is created when you work with an engineer, agent and a team for the progress of your career as a racer. You also join with the technical team to develop your car for better performances, sponsorship deals and higher rankings. This wonderful life lasts about ten seasons with each season providing a more thrilling experience than before. The best part of F1 is its AI. One of the best in the gaming industry to date, the AI of this game is an extremely intelligent one. All drivers in the game are brilliant and not too aggressive. Master gamers have identified this game as the most in-depth Formula 1 game developed in years, following endless compromises between the development cycle and immersion by the game developer. F1 2016 may not currently be a perfect PC racing game, but it has worked wonders through the small tweaks added, to bring excitement to players around the world. Attractive career mode Challenging handles and AI Looks great in terms of design Clunky cinematics AI can be dopey A few bugs found by critics Go Ahead and enjoy a good racing game on your PC by choosing from our long, impressive list of new car games. No matter what you are in need of, be it a game with great graphics, or one that gives you endless circuitry and many classic means, there is an option for you. The game is more fun to play in a group so try as much as possible to look out for games that allow you to join the online community or invite your friends for some racing challenges. Another factor to consider is compatibility. Make sure that the game you choose is available in a computer-compatible version, to prevent lag or crash that could, in turn, damage your device.
